## Who is Troy Davis?

Troy was sentenced to death in Georgia for the 1989 killing of police officer Mark Allen MacPhail. Troy has spent the last two decades on death row for a crime he did not commit. He has faced three execution dates and is now facing his fourth date on Sept. 21st of this year.

The case against Troy has fallen apart--nearly all of the witnesses have recanted their original testimony, no DNA connects him to the crime, and another man has admitted to committing the crime, according to several witnesses.

*Among Troy's Supporters are:* Amnesty International, ACLU, NAACP, Campaign to End the Death Penalty, Jimmy Carter, Archbishop Desmond Tutu, Harry Belafonte, Susan Sarandon, Congressman John Lewis, and Angela Davis.
